CARIS BROOKE

A village on the Isle of Wight (England)

In 11th century, the 1st Lord of Wight enlarged the castle supposed to have been built by the Saxons.

1136- Was Captured by STEPHEN and successfully resisted the French in the time of Richard II

During reign of Elizabeth, it was enlarged and present works added.

Nov 1647 - Charles I took refuge in the
Castle and was there imprisoned for
13 months. After his execution, his
2 children were confined in the castle
and 19 months later Princess Elizabeth
died there.

The ruins of a CISTERCIAN priory
founded in 12th century are nearby.
